PATHWAY PROGRAM B

Students who have finished their Associate's degree can complete their Bachelor's degree in General Studies by finishing two years online with the pathway program between Immersive Education Academy and Western Illinois University.

The purpose of this Bachelor's degree program is to give students with an Associate's degree the following advantages:

AFFORDABILITY

Students pay less tuition to convert their Associate's degree into a Bachelor's degree. (US\$16,000).

FLEXIBILITY

Learning is a lifelong journey. This program allows students to get a Bachelor's degree after completing their Associate's degree. Because students can complete their Bachelor's degree in General Studies online, they can work at the same time and continue building their career. They can also improve their English proficiency through Immersive Education Academy.

SMOOTH TRANSITION

Upgrading from an Associate's degree to a Bachelor's degree can be completed in an additional two years of study. Credits from your Associate's degree can be transferred towards finishing your Bachelor's degree to save time.
